Subject: Remove Unauthorized Morrisseau From Thunder Bay Art Gallery Post

To: Spirit Walker <spiritwalker2008@...>

Please be advised that the advertisement including the Norval Morrisseau image you are currently using along with our Gallery logo, to promote the June 4 – September 5, 2010 Norval Morrisseau exhibition at the Thunder Bay Art Gallery, must be removed immediately.

You may make reference to the exhibition by title, location and dates, but you must request **permission**, and **written approval** from us for use of any images and of our logo **before** you post.

Please advise as soon as this is done.

Thank you.
